Subject: Notification of Air Pollution Control Permit

Pursuant to Tennessee Code Annotated 4-29-120 (Tennessee Governmental Entity Review Law), the Division of Air Pollution Control is hereby providing notice at least 15 days in advance of a permit issuance or denial, as required by statute, for a process description at the following location:

New Cingular Wireless PCS, LLC dba AT&T Mobility
183 Raby Hollow Road
Kingston, TN 37763

Permits will only be issued when all applicable requirements, regulations, and procedures are met. The Division will consider all relevant comments received prior to permit issuance or denial.
